WELCOME TO THE Y!

Member Handbook

SANTA MONICA FAMILY YMCA
We’re Glad You’re Here!

The staff and Board of Directors of the Santa Monica Family YMCA proudly welcome you to our facility and the many programs we offer.

Our Y is an association of people of all backgrounds. Regardless of race, gender, age, or religious preference, we all believe in the philosophies of the Y and strive to improve the quality of life of our families, our communities, and ourselves. The Y’s cause-driven programs and services focus on Youth Development, Healthy Living and Social Responsibility. Our staff is committed to membership service and the needs and goals of every member. In addition, we are fortunate to have many dedicated volunteers. They enable us to provide a comprehensive range of services and programs.

No one group or person owns the Y. The Board of Directors—our governing body—is composed entirely of volunteer community leaders. As a not-for-profit organization, we invest every penny raised in donations or membership/program fees back into running the Y. The Donors’ Wall in our front lobby proudly displays our many supporters, but there are many ways and levels of making a donation. If you desire more information, please ask at our Member Service Desk.

We strongly encourage you, your family, and your friends to take full advantage of the many services the Y has to offer. It’s your Family Y. Become involved in the excitement!

Code of Conduct

Membership at the Santa Monica Family YMCA offers both benefits and responsibilities. In order to ensure a positive, safe, and healthy atmosphere for all, members and guests are expected to be respectful of others, and to recognize that sometimes the needs of the group take precedence over those of an individual. - Profane, rude, or abusive language and physical contact are not acceptable. Inappropriate, unsafe, or harassing behavior of any kind is strictly prohibited.

Youth who show up at the YMCA during school hours will be asked to return back to school (exception, when school is not in session).

The Santa Monica Family YMCA has a zero-tolerance for illegal drugs, alcohol, and aggressive or abusive behavior. Any participant, parent, friend or relative found to be in violation while participating in a program at or away from the Y facility will be asked to leave the program and facility without refund and may face disciplinary and / or legal action. Those who are present when a violation occurs shall, by their own choice, be considered a participant in the violation and be treated as such.
Volunteer Opportunities
The Y provides many excellent opportunities for those who wish to serve the community and the Y in a volunteer capacity.

Volunteers
The Santa Monica Family YMCA is committed to recruiting and developing a superior, highly competent volunteer staff. Volunteering at the Y is an excellent opportunity to grow, learn new program skills, develop leadership abilities, and increase self-esteem. Your commitment as a volunteer will allow others to learn and grow as well. Volunteer opportunities include Wellness Center assistants, aquatic instructors, aerobic fitness instructors, youth activity monitors, program aides and instructors.

Volunteerism is an integral part of our Y’s mission in helping to reach out to the community. If you are interested in becoming a volunteer, fill out a volunteer application at the Service Desk.

Y’s Men’s & Women’s Clubs
The Y’s Men’s & Women’s Club is an international YMCA service club for men and women. Founded in Toledo, Ohio in 1920, there are now 800 clubs with over 19,000 members located all over the world. Here in Santa Monica, we have two clubs with over 75 local business and professional men and women serving as active members.

Over the years, the Y’s Men’s & Women’s Clubs have contributed countless hours and raised thousands of dollars toward the building of the Santa Monica Family YMCA. They are a major force in many of our fundraising projects and work parties.

Our Evening Y’s Men’s & Women’s Club meets on the second and fourth Tuesday of every month at 7:00 p.m., and our Breakfast Y’s Men’s & Women’s Club meets at 8:00 a.m. on the first and third Saturdays. Please contact our Service Desk for information.
History of Our Family Y

The Santa Monica Family YMCA was first incorporated on April 19, 1901 and had its second start at a meeting held June 13, 1927 in the cafeteria of Santa Monica High School. Under the leadership of Dr. C. H. Lewis, our first president, the Y embarked upon a mission to establish a place where local residents could share “friendship and faith.”

Through the Great Depression and other financially troubled times, the Y offered many youth and adult activities, including high school clubs, basketball leagues, and Indian Guide programs. Our first “real” home was at Third and California. In 1946, the Sixth Street property was purchased for our expanding needs. Thanks to a successful capital campaign, the YMCA in partnership with the YWCA opened the doors to its new facility on January 15, 1950.

The Y continued to grow, with additional purchases and the development of Camp Big Bear. Other notable events were the founding of the Y’s Men’s Breakfast and Evening Clubs, our separation from the YWCA, and the official incorporation of the word “Family” into our name.

In 1983, the Y opened the Ralph W. Kiewit Fitness Center, the first part of a three-phase plan to enlarge existing facilities. Included in the Kiewit Center were a new fitness area with Nautilus equipment, a multi-purpose room for fitness and aerobic classes, and more space for our growing childcare programs.

1989 saw the grand opening of Phase II, which added the lap and training pools, two multi-purpose rooms, fitness center, and outdoor walking track.

2002 the Phase III Expansion project was completed to include a new gymnasium, racquetball courts, youth activity & child watch center, computer lab, Teen and Senior Centers, weight room, and new child development center.
